Founded in 1888 by the Sisters of Charity of St. Vincent de Paul, Saint Joseph's Medical Center is the only remaining Catholic hospital in all of New York City and Westchester County. For 135 years, Saint Joseph's Medical Center has served Yonkers and the surrounding communities with patient-centered, quality-focused inpatient and outpatient care. Today, the system also includes numerous affordable senior housing developments and a network of primary care services serving Westchester and the Bronx. Its St. Vincent's Hospital Westchester division, located in Harrison, provides a comprehensive range of mental health, addiction and residential programs serving Westchester and New York City.
